SUPPLEMENTARY INFORMATION:

Agenda

The Scallop Committee will be discussing Framework 30 with an emphasis on reviewing specifications alternatives in Framework 30 and make final recommendations. Framework 30 will set specifications including acceptable biological catch/annual catch limit (ABC/ACLs), Days at Sea (DAS), access area allocations for Limited Access (LA) and Limited Access General Category (LAGC), Total Allowable Catch (TAC) for Northern Gulf of Maine (NGOM) management area, target-TAC for LAGC incidental catch and set-asides for the observer and research programs for fishing year 2019 and default specifications for fishing year 2020. Review standard default measures developed through Framework 30 and make final recommendations. Other business may be discussed as necessary.

Although non-emergency issues not contained in this agenda may come before this group for discussion, those issues may not be the subject of formal action during these meetings. Action will be restricted to those issues specifically listed in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Act, provided the public has been notified of the Council's intent to take final action to address the emergency.
